******* HELP WITH PROFILE COMMITTEE *******

The formation of a Profile Committee is the next step in our journey to secure a new called pastor.
We are looking for creative and committed people to serve. The function of the Profile Committee is to provide the conference and interested pastors a sense of our past, present and hopes for the future.

The Church Profile provides our Search Committee with direction by clarifying the calling of the church. Each prospective pastor will be reading the Profile in its entirety to determine if his/her skills meet our needs. The Congregational Assessment Tool Survey (CAT) will provide much of the data used in preparing the Profile.

Persons interested in serving on this committee are encouraged to come forward no later than April 16th. Please contact Sue Churchill. Many talents are needed to bring this important document together. Profile Committee members should expect to meet a number of times over the course of 9 to 11 weeks in order to finalize the document. When the Church Profile is complete and accepted by Consistory, the committee will disband.

Helpful skills include:

- Enough computer talent to use email and search the internet
- The ability to write clearly and concisely
- Some knowledge of the organizational structure of the church
- Experience in various aspects of the church (prior committee experience, helping with the bazaar, other roles served, etc)
- Openness to the needs of the church as a whole, including necessary changes that need to be implemented over time

Hoss's Cash Cow – Thursday, April 13th 11a-10p. Coupons are on the table in the Gathering Area.

One Great Hour of Sharing will kick off March 19 with envelopes in the pews. A mission moment will be presented by committee members on the Sundays prior to the collection at both services. The designated Sunday for this collection is April 9.

Undie Sunday is scheduled for Sunday, April 23rd (please note the change in previously announced date due to the busy college weekend on the 30th). In cooperation with Sigma Alpha Epsilon fraternity of Gettysburg College, we are receiving new socks and underwear to distribute wherever needed in the community. All sizes are needed for children, women and men. There is a sock drawer in the Gathering Area ready to receive your donations. A special worship opportunity at the 10:30am service when the young men from the fraternity will join us. One of the ensemble groups from the college will sing during the service. We are planning to prepare a light lunch (soup and sandwiches) so plan on staying after worship to meet those who come to worship with us. You are asked to bring a dessert. Casual dress for that Sunday. This is a new adventure for Trinity and we are hoping it will lead to further cooperative efforts. Thank you for your support!

“These Days” devotionals (April, May, June) are available in the Gathering Area.

Lent Devotionals are available in the Gathering Area.

April Newsletters are available on the table in the Gathering Area.
