Hopefully you received two index cards when you picked up your bulletin this morning - - if not, there are index cards on the round table in the Gathering Area. Please use one of the index cards to answer this question: "If you had one hour to spend with Jesus, what would you ask him?"; during the summer months, we will try to incorporate answers to several of these questions within the sermons on a Sunday morning. Please use the other index card to write down the names of five of your fellow members whose judgement you respect and trust. Return both index cards no later than June 4th. Thank you.

We will continue the Cookies for Our Neighbors program for the rest of the year. You can sign up to provide 2 dozen cookies on the third Sunday of the month for the months of July through December. They will be delivered to the Police Department of Gettysburg Borough the following day. Thank you for your faithful support of this small but meaningful, outreach to our neighbors.

Many People have expressed the hope that Trinity would hold a Vacation Bible School program this year, so the Christian Education Committee has tentatively scheduled a three day program for June 26 to 28. However, before we publicize that event, we need to know if we will have enough help with teachers and support people to make that happen. We do not know exactly how many children would attend (but we think the children at Survivors would definitely be part of it), so we need at least six adults to make a commitment to the program by June 4th. There will be two training sessions to assign responsibilities and go over the chosen material. Please sign up in the Gathering Area if you are willing to make this commitment. Thank you.

Upcoming Fellowship Dates to Remember. Please mark your calendars.
